Wake up your patrons’ taste buds and satisfy the all-day breakfast trend with these new products. Consumers are indulging in breakfast throughout the day and these products can complement any menu and satisfy every craving all day long.

Path of Life Hashbrowns with Red Quinoa 4111249
This flavorful blend of shredded skin-on russet potatoes, red quinoa, white cheddar cheese and fresh spinach, comes perfectly seasoned with onion and garlic. Meet the all-day breakfast trend by serving this versatile product as an entrée or side, any time.

POWER BOWL
Offer red quinoa hash browns for a protein-packed breakfast bowl! Bowls are the hot trend right now and have seen a 29.7% rise in the entrée category over the last five years.*
Sweeten your recipes with not-from-concentrate pineapple juice. Serve as a refreshing drink or blend as an ingredient in a delicious cocktail. Choose pineapple juice to prepare savory marinades and sauces and fruity desserts and smoothies. Health-conscious consumers will appreciate a fresh beverage alternative free from high fructose corn syrup, food coloring or preservatives.

Sysco Natural Pineapple Juice
4391284, 12/12OZ • 4391274, 6/32OZ

40% of Consumers & 52% of millennials say they are more likely to visit a restaurant that offers new or innovative flavors.*

Sysco Imperial Waffle Waffle Fry 4390807
Add versatility to your menu with Waffle Waffle Fries! With this exciting product, you can add plate appeal throughout the day - from breakfast to desserts. Serve as a hearty skillet for a breakfast, prepare as individual appetizers with unlimited ingredients, or sweeten with a dessert topping for a real treat.

Pineapple Juice Bananas Foster
Sysco Imperial Creative Coaters® Breading Mixes

Combine your favorite seasonings with the gluten-free, plant-based Creative Coaters breading mixes to flavor meats, or spice up seafood and vegetables. Made with protein-packed legumes and vegetables, Creative Coaters add great texture and crunch to popular menu items like chicken tenders and popcorn shrimp, or vegetarian dishes.

Sysco Supreme Vegetable Blends

Choose from a variety of frozen vegetable blends to complement proteins, and enhance salads, soups and more. Their rich, roasted colors and trending bold flavors combine for an impressive made-from-scratch look, while saving on preparation and labor required to peel, chop and roast fresh vegetables.

Today, more consumers seek healthier food choices and transparency on menus. Satisfy your patrons’ needs with Sysco’s wide variety of unique and labor-saving products.
SIMPLY UN-BEET-ABLE!

Sysco Imperial Beets 4424729

These freshly cooked beets are vacuum-packed and cooked sous-vide to maintain their freshness, making them a tastier and healthier alternative to canned beets. Create exciting menu offerings from salads to desserts by adding this superfood to your recipes today!

Beet menu mentions have increased 49% since 2012**
Impress your customers with exciting on-trend beverage flavors from Sysco! This specialized assortment of products will refresh your menu and help generate more business as patrons make repeat visits.

**TRENDING TASTES**

Set your restaurant apart from the competition

Enhance your beverage assortment with **BarFresh** smoothies, shakes and frappés. These easy-to-prepare beverages provide a delicious, on-the-go healthy snack alternative. Tempt your customers with the refreshing Caribbean Sorbet and Mango Burst flavors or the decadent Vanilla Bean and Caramel Macchiato blends.
Sysco Imperial
HONEY SRIRACHA FRIES

Boost your appetizer menu and satisfy bold flavor seekers! The spicy heat of Sriracha complements the sweetness of honey to deliver one-of-a-kind French fries.

#PHOTOFRIENDLYFOOD
With over 300 million users, Instagram is a growing vehicle for restaurants to attract millennial and Gen Z consumers. Photo-friendly plate presentations will get these media-savvy diners talking about your restaurant and peak the interest of other potential patrons.
Prepare delicious fresh baked sourdough bread with less fuss! This exclusive refrigerator-to-oven (RTO) product lets you customize the dough shape and size to meet your needs. This RTO dough also saves valuable preparation time and labor required to bake fresh bread. Sourdough continues to be a top trending bread flavor, so fill the air with the irresistible smell of freshly baked bread!
BAKERSOURCE CLASSIC
CHEESE ENROBED BREADS

95% of consumers eat at least 1 sandwich per week*

Take your sandwich bread selection from ordinary to extraordinary and tantalize your customers’ taste buds with BakerSource Classic Cheese Enrobed Breads.

The Aged Monterey Jack Cheese with Green Chilies flavor offers a subtle spice that consumers crave. The versatile Italian Blend with Caramelized Onion has a deep, slightly sweet flavor of roasted onions with a mix of toasted Parmesan, Asiago and Romano cheeses on the outside, ideal for panini or served with pasta. Customers will be thrilled with the look, aroma and flavor delivered in every bite.

With Sustain Sunflower Oils, diners can indulge in their favorite fried foods prepared with 100% non-GMO sunflower oil. With zero grams of trans fat per serving and no cholesterol, Sustain oils deliver healthier ingredients so your customers can enjoy the natural flavors of your food, with every bite.

Add colorful plate appeal to your entrées with Path of Life Carrot and Parsnip Vegetable Fries (4114290). Bake or fry these gluten-free specialty fries until perfectly crispy and serve as a bold appetizer with dipping sauces. They have zero trans-fat, providing your customers with a healthy complement to their meals.
Consumers continue to seek global ingredients and flavors that appeal to their diversifying palates. You can expand your menu horizons and reach more customers with an internationally-focused selection of products exclusively from Sysco.

Add a South American steakhouse favorite to your menu with **Brazi Bites**. These ready-to-bake cheese breads, created from an authentic Brazilian recipe, burst with Cheddar and Parmesan flavors and are naturally gluten-free. Serve them as a delicious snack or side to complement your menu throughout the day. 4221386

83% of consumers surveyed this year said they snack on a daily basis. That’s up from 73% in 2014.*
Portico Bounty

Deveined Shrimp

The revolutionary Portico Bounty Headless Deveined Shrimp line provides a ready-to-cook versatile product to enhance your menu. Their uncompromised quality guarantees you a sweet-tasting ingredient that can take your customers’ palates from a Louisiana-style shrimp boil to a Szechuan stir fry.

2/3 of consumers choose a wider variety of ethnic cuisines now than they did just five years ago. Restaurants provide the best venue for trying new cuisines, and research shows frequent diners typically select their ethnic foods when eating out.

Great American Tuna and Salmon Poke Kits

Spice up your menu with Poke Kits – raw cubes of Atlantic Salmon or Yellowfin Tuna, with flavorful ginger-soy marinade packets. Poke, a traditional ingredient in Hawaiian or Polynesian dishes, adds exotic, trending flavors to your recipes, while satisfying diners seeking healthy and unique dining options.
